CWCC meets on the second Monday of every month at 7pm via zoom.

The Camp Washington Community Council began in 1981. It has helped to make and keep the neighborhood clean, safe, and vibrant.

The council is run by committed residents who volunteer in various ways around the community, attend meetings, or donate money and resources to neighborhood initiatives.

As a member of the community council, you will be able to vote on important neighborhood issues, serve as an officer or committee chairperson, and, financially support our officially recognized community council.

Join the council and help Camp Washington continue to flourish!
